A modern kitchen interior featuring a combination of light grey and white cabinetry. The lower cabinets are a light grey, while the upper cabinets are white. A central island and the main countertop are made of a light-colored marble with brown veining. The backsplash is composed of vertical wooden slats. A gold-colored faucet is installed in the sink area. On the left, there are two built-in ovens. The countertop is decorated with a tray of glassware and a small potted plant. The floor is made of dark wood with a herringbone pattern.
